

## FOSAwareness – A FOSA LinkedIn Promotional Campaign

Thank you for your interest in contributing to the FOSAwareness effort – a LinkedIn campaign supporting FOSA's core mission of raising awareness of all things DFOS.

Participation in this series is voluntary and available to all FOSA Members in good standing. We, at FOSA, encourage you to contribute, for each calendar year, 2 to 3 of your best - case studies, white papers, videos, or other appropriate promotional content. *(1 application per submission)*

FOSA reserves the right to review content for appropriateness, and to schedule FOSA-hosted LinkedIn postings. Our aim is to achieve equitable promotional support across the FOSA membership, elevating our collective technologies, and supplying value-adding promotional support for each contributing member.

To apply, please complete the application below.

Contribution Date:

Contributor Company Name:

Contributor Name:

Contributor email:

Headline: *(~ 70 characters)*

Introductory Text – be sure to include description of target market/s: *(~ 200 characters)*

Destination URL: *(a link to the content you wish to share)*

Thank you in advance for your contribution. FOSA will review it. If questions arise, we will contact you. If there are no questions we will create and schedule a FOSA LinkedIn posts to promote the great work your company is doing.

Please include "FOSAwareness" in your email subject line. If you do not receive a FOSA acknowledgment within 48 hours, please send a follow-up email (without your attachment) to alert us - this helps in the event that our Spam folder captures your submittal.

Please submit the completed application to: [jmolony@fiberopticsensing.org](mailto:jmolony@fiberopticsensing.org)
